**MEMO PERD #17/01**

TO: Department Directors

FROM: Jeanne Greene, Director  
Department of Personnel

SUBJECT: PAY INCREASE – CLASSIFIED AND UNCLASSIFIED EMPLOYEES  
SPECIAL SALARY ADJUSTMENTS – CLASSIFIED REVISION OF  
CLASSIFIED COMPENSATION SCHEDULES

---

A cost-of-living pay increase, additional special salary adjustments for selected classes and an additional step on the classified compensation schedules have all been authorized in the 2002-2003 Executive Budget. These changes are effective July 1, 2001, and employees paid by Central Payroll will see the increases in the check issued July 20, 2001.

An explanation of the changes affecting both classified and unclassified employees, as well as how they will be implemented, is presented below. In most cases, an Employee Status Maintenance Transaction (ESMT-A) document will not be required, with the exception of the specific situations noted. All ESMT documents, if necessary, must be received in the Records Section by June 21, 2001, in order for the results to be processed for the July 20, 2001, paychecks.

***Changes Affecting Classified Employees:***

A 4% cost-of-living increase was granted to all employees in the classified service. In addition, special salary adjustments were approved for correctional, engineering, parole and probation, youth parole and highway patrol classes. The eligible classes, as well as the appropriate grade adjustments, are identified in an attachment included with this memorandum. These salary increases will automatically be implemented, and there will be no need to submit individual ESMT-A documents.

The Legislature has also approved an increase in steps on the classified compensation schedules from eight steps to nine effective July 1, 2001. Each employee at step 8 whose ESMT-A reflects a pay progression date on or before July 1, 2000, will automatically move to step 9 on the new schedule, except in the following circumstances:

- The employee received a below standard performance evaluation within the last 90 days;
- The employee has been in LWOP status and/or on Catastrophic Leave;
- The employee is on a retained rate.

Agencies should review the records of any employee at step 8 that has a below-standard performance evaluation, used LWOP or Catastrophic Leave or is on a retained rate to determine eligibility for the step increase in accordance with NAC 284, Rules for State Personnel Administration. If the employee is not eligible, an ESMT-A must be submitted, which changes the employee's pay progression date and retains the employee at step 8. If you have questions or need assistance in determining the employee's current pay progression date or completing the ESMT document, please contact our Records Section at 687-3705 or 687-3707.

Additionally, in reviewing our records, we've identified employees at step 8 in your agency for whom we have no current pay progression date. For these employees, we will automatically enter a pay progression date of July 1, 2000, to effect the step increase. We will also be providing you with a list of these employees within a week for your review. If any of these employees have received a new pay progression date within the past year (i.e., the employee has promoted two or more grades or received a Merit Salary Increase), an ESMT-A document must be submitted to establish a new date other than July 1, 2000, in our system.

### ***Changes Affecting Unclassified Employees***

Unclassified employees were also granted a cost-of-living adjustment. In addition, the maximum salaries on the unclassified pay schedules reflect adjustments proportionate to the step increase on the classified salary schedules to avoid serious salary inequities in comparison to positions in the classified service. Therefore, we will automatically increase all existing unclassified employees' salaries by 9% (not to exceed the authorized maximum salary reflected on the compensation schedule). If the 9% automatic salary increase is appropriate for your unclassified employees, there is no need to submit individual ESMT documents to implement the increase.

As you know, an appointing authority may set the salary for an unclassified employee at or below the authorized maximum salary. If you wish to set the salary of an unclassified employee at a different rate than the automatic 9% increase, an ESMT-A document must be submitted designating the salary the employee should receive.

For your information, we've enclosed copies of the revised compensation schedules reflecting the increase in pay and additional step for classified positions and all legislatively approved changes affecting unclassified positions. We are also sending additional compensation schedules under a

June 8, 2001

separate memorandum to the designee for compensation schedule distribution in your agency. Questions regarding the compensation schedules should be directed to Phil Hauck, 684-0130.

In closing, I would like to emphasize the importance of submitting the ESMT documents, if necessary, by June 21, as late submission may result in a payment error to the employee. Additionally, if more than one personnel action with the same effective date is required for an employee, please document all the transactions on one ESMT, rather than submitting multiple documents.

Thank you for all your cooperation and assistance. If you have any questions regarding the pay increases and how they affect your staff, please call me at 684-0131.
